**American Water Ski Educational Foundation  
1250 Holy Cow Road  
Polk City, Florida 33868-8200**

Please join others as a sponsor of the American Water Ski Educational Foundation with the only Hall of fame and Museum devoted to the history of water ski sports.

Unlike many other sports museums, this one celebrates the recreational skiers as well as the regional, national and world competitors while perpetuating, excitement, passion and a magic of a true family sport.

# AMERICAN WATER SKI EDUCATIONAL FOUNDATION

- The American Water Ski Educational Foundation (AWSEF) is the supporting foundation of USA Water Ski, the national governing body of organized water skiing and wakeboarding in the United States.
- AWSEF maintains the only U.S. and International Water Ski Hall of Fames.
- AWSEF preserves the history of the sport with the world's largest water ski museum and library.
- AWSEF includes a world-class demonstration/competition ski lake.
- AWSEF offers a series of college scholarships for our youth.

- AWSEF is located in Polk County, Florida, off Interstate 4 at Exit 44 between Orlando and Tampa, 20 minutes west of Disney World.
- An estimated 100,000 cars pass the facility on I-4 each day. The site is a very unusual one in that it is situated less than 25 yards from the interstate closer than most billboards. Passing by, people are intrigued to take Exit 44 which leads to the front door of the Water Ski Hall of Fame Building.

Take pride in the sport of water skiing and become part of a legacy that will last for generations to come.
