Promoting and Preserving Water Ski Sports History

Bart's Water Sports Becomes an AWSEF Corporate Sponsor

Bart Culver, who graduated from Indiana University in 1972 with a degree in Biology, has always had a love for competition water skiing. He rented an old farm building for \$85 a month, borrowed \$2,000, and began selling Maherajah and Cypress Gardens skis. Now 39 years later, Bart's is still located in North Webster, Ind., proudly shipping water-related merchandise within 24 hours. "Bart's became a member of American Water Ski Educational Foundation in the early 1990s and has supported many programs for us throughout the years," says Carole Lowe, executive director of the AWSEF. "His support as a Corporate Sponsor is recognized with appreciation."
