

## **Lake Improvement: Funds Still Needed**

The AWSEF constructed a ski lake adjacent to the Hall of Fame & Museum. In 2006 there was 19 events held on Lake Grew.

Due to the draught the lake was closed in September, 2006, the water was down so low that we found that the bottom was not level and felt it was unsafe to ski in. It was decided to improve the depth of the lake and for the slopes to be restructured.

The boat ramp has been completed. The boat house is completed and two "Doozie" lifts have been donated and installed by Lewis Fields. One Aluminum Boat Cradle has been installed courtesy of Raymond Hottinger. Gary Elbers, Innovative Marine Technologies, Inc. donated and installed three Touchless Boat Covers. A ramp to the lake accessible for the disabled and a starting dock has been installed. The Judges Tower is complete, including air conditioning.

No membership money from the American Water Ski Educational Foundation (AWSEF) and USA Water Ski (USA-WS) is being used to offset the cost of remodeling the lake. Donations are still being accepted. A temporary list of donors will be displayed in the Hall until December 31st, 2009.

If you are interested in making a donation, please fill out the form below with your credit card information or print out and mail to: LAKE FUND, 1251 Holy Cow Road, Polk City, FL 33868-8200. Make checks payable to Lake Fund. All donations are tax-deductible.

**AWSEF Contribution Form**

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Address: \_\_\_\_\_
