

HOW TO WRITE A LEGACY

First provide a representative digitized picture in highest quality available. Most digital cameras or modern scanners can transform older picture in to digitized media. Jpeg is preferred.

Legacies write-ups can be as short as answering these basic questions:

1. Who
2. What
3. When and
4. Where

and the significance to waterskiing water sports. Legacy write-ups should be **no longer than 300 words.** Rough or unfinished drafts will be accepted. All write-ups are subject to edits and review for appropriateness. AWSEF reserves the right to edit all posted materials. AWSEF will not be held responsible for fact checking or historical research. AWSEF is not responsible for the accuracy of materials or claims submitted for publication.

1. Who or what organization or product or event is being honored
2. What is the significant relationship to water skiing or water sports history
3. What are the dates of association or connection to the sport
4. Who has benefited (optional)
5. Who or What organization is dedicating the Legacy.

You may wish to review existing legacies for additional ideas or suggestions.
